Docket No. 98N-1265

Food and Drug Administration 17 '99 APR 16 A9 3 7  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
I OBJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

COMMENTS: Dear Sir or Madam,

Please do not limit the prescriptions  
that could be shipped out of state. My  
compounded prescription has allowed me to  
finally sleep all night. I spent two  
sleepless years. Please don't limit my  
pharmacy. They work for me, and they  
do not put all women in one group.
